

You don't need to be able to come up to the Lighthouse site to join in! Maybe you'll be at work or you simply can't get up to the site when Lighthouse is running?

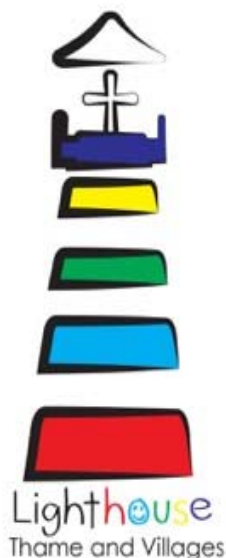

## Pray with us through Lighthouse 2017

This year we would love to involve as many people as possible in praying for Lighthouse in the two weeks that surround the event.

Simply go to I WANT TO PRAY and book a one hour slot where you can commit to pray for Lighthouse during that time.

If booking on-line is not something you are happy doing, then give Sue Civval a call (01844 215373) and she will book you in for your chosen slot.

There will be updated information on the website for prayer where possible.

Lighthouse is our local churches  
Holiday week for children aged  
4-11

Once in year 7 the young people  
are trained to be helpers and all  
those in year 8 and above are  
encouraged to come and help.

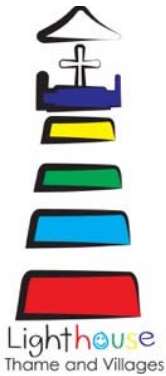

There are many and varied roles  
for adults of all ages to help too  
and not all roles are with children—  
we need help with refreshments  
and many other ways too.

Go to our website for more details
