## **Social networking guidelines**

**We have created a page on Facebook for Lighthouse Thame & Villages. We would like you to use this page to record your favourite parts of the Lighthouse week and we hope you will have a great time at Lighthouse. Please note that you must have your parent's authority to join the Facebook group.**

**Please just take a moment to look through the guidelines for using the Facebook page:**

- **Use the page to; ask questions, share news, thoughts, ups, downs, and prayer requests.**
- **Don't post (or link) anything you think Lighthouse leaders would consider inappropriate: that includes anything obscene, illegally copied, or abusive. Be considerate (never unkind) to other users. We want to be Christ-like!**
- **If you want to upload pictures to the page you will need to send them to the administrator Richard Shearwood email: [socialmedia@lighthousehame.org.uk](mailto:socialmedia@lighthousehame.org.uk) before they can be uploaded.**
- **We have set up some moderators for this page. This means they can read all the posts. They can delete or edit posts, and disable user accounts.**
- **If you have any questions about the forums, or you're worried about anything you see there, contact the administrator Richard Shearwood as above.**
- **Lighthouse is not responsible for anything posted in the forums, or anything in external sites linked from the forums.**
